

Patients were asked, “Should you wish, please provide any comment regarding this physician’s office/clinic visit.”

And you told us...

...This office is pleasant, thorough, and prompt.

...they’ve given me great care, they’re friendly. I enjoy going there. They make it enjoyable rather than a scary place. Very helpful.

...have been going to the clinic my whole life and really appreciate the clinic. I want to say thank you to them.

Dr. Hamilton
Medical...*Dr. Hamilton’s office gives excellent care. She is thorough and I would recommend the office to loved ones.*

They treat me very well. They’re always there if I have to call. They work with my schedule if I need to change any of my appointments. Dr. Hamilton is kind, considerate, and answers my questions.

Dr. White
Dental...*she was very good and I’m glad I was able to consistently see her.*

Dr. Hinman
Optical...*Has been very professional. She answers my questions and explains things in detail. She has always given me information about what care is available to me through the tribe. She’s just been excellent. I enjoy going to see her and she’s always been clear.*

Paris Aaron
Medical...*Paris Aaron is a great doctor!!*

St. Ignace Tribal Health Center

They’re really good to me and show their concern for my health.
